

SOCIAL PLATE

Supporting Social Enterprises in combating poverty
and social exclusion

Kick-off meeting

Thessaloniki,
08/03/2018

PB₂ – Technopolis – International Educational Institute

- Is based in Thessaloniki
- Is a non-profit organization
- It operates as an institute for:
 - a) the realization of research studies and programs on development issues both in Greece and in the wider area of Europe, the Balkans and the Eastern Mediterranean
 - b) the promotion and support of vocational training, lifelong learning and organizational training.

PB2 – Technopolis – International Educational Institute

Its purpose is:

- to conduct ongoing research and consultation on employment services and vocational training issues
- to participate in programs co-financed by national and European sources on sustainable development, dissemination of European policies, cultural values and the promotion of the lifelong learning.

The aim is achieved through networks and communication developed by our company with research and educational institutions in Europe, especially in the Balkan countries and the Eastern Mediterranean countries in the field of development.

PB2 – Technopolis – International Educational Institute

Technopolis - International Educational Institute is active in:

- Planning and implementation of transnational cooperation programs
- Promoting partnerships with public and private stakeholders to build on innovative Community programs and initiatives
- Implementing researches on educational and lifelong learning needs
- Developing pilot projects on human resource development, expanding employment and integrating lifelong learning into work practices

PB₂ – Technopolis – International Educational Institute

- Develops educational aids and learning tools in modern disciplines
- Supports companies on their reorganization and transformation into learning organizations
- Organizes conferences, symposiums, scientific and other workshops and cultural events to promote the scientific development projects and also its objectives

PB₂ – Technopolis – International Educational Institute

Technopolis – International Educational Institute has participated in:

- TRABZON INITIATIVE (TRAB.IN) project, under the “Promoting registered employment through innovative measures Grant Scheme” (2010 -2012)

and

- “Support cross border entrepreneurship / transnational business consultant” (SCBE/TBC) project, under the IPA Programme “Greece – The Former Yugoslav Republic of Macedonia 2007-2013” (December 2015 – December 2016). The project aimed in strengthening and promoting entrepreneurship and enhancing cross-border business activities through a range of training, counseling / mentoring and business plans for the creation of individual and social businesses

Thank you for attention
